

EASY SAVE

Kickstart Your Savings Without Effort!

Round up each debit card purchase to the nearest dollar and turn the change from everyday purchases into savings. The change from your debit card purchases are accumulated and automatically transferred daily from your checking account to your savings account.

It's as easy as 1-2-3...

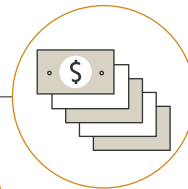

1. ENROLL

To get started, you simply need a Horizon checking account with debit card and a savings account.

2. USE YOUR CARD

Make purchases as usual!

3. SAVE

Watch the savings add up!

Terms & Conditions: Upon enrollment we will round up your Mastercard® debit card purchases to the nearest dollar and transfer the difference from your Horizon personal checking account to your Horizon personal statement or tiered savings account. Savings accounts that are not eligible include Health Savings Accounts, Passbook Savings, Money Market Accounts and Business accounts. Minimum balance fees will be waived on the savings account tied to this service. Account fees will apply if Easy Save service is discontinued. The round up amounts will accumulate for one transfer to your savings per day. Sufficient funds must be available in the checking account in order for the transfer to occur. All Horizon Mastercard® debit cards connected to the checking account will round up to savings. Both debit signature and PIN transactions qualify. You must be the owner on each checking and savings account you enroll. We may cancel or modify the Easy Save service at any time without prior notice. Service is not available for business debit cards.
